Dear Mr. Freeman:

On October 6, 1997, we received your Notice to establish the Crystal mill site in the Vernon Hills area in T. 8 S., R. 5 W., Section 4. We assigned your case file as serial number U-75738.

On May 1, 1998, we received a copy of an amended Notice submitted by you to the Fillmore Resource Area, in which you stated that the Crystal mill site "has not and will not be used for these (milling) activities." A recent inspection of the area indicated that the Crystal mill site has not been disturbed in any way. We are therefore closing the subject case file.

Thank you for your cooperation. If you have any questions, or require additional information, please feel free to contact Michael Ford of my staff at (801) 977-4360.

Sincerely,

Margaret Wyatt

Area Manager
